

Morris Education Trust

Network Manager

Hours: 37 Hours per week – 52 weeks

Required as soon as possible

Salary Scale SO1 Point 23 – 25 (currently £26,999 - £28,785 FTE pa)

The Morris Education Trust is based out of Impington Village College but serves a growing number of Academies, currently at Impington Village College and Witchford Village College.

The Network Manager will assist the Trust with support and maintenance of IT systems across the Trust. This is a varied and challenging role that would suit someone who is not only passionate about IT in education but is a great communicator, has a proactive attitude and loves solving problems.

The Trust has extensive ICT systems across its academies and their usage extends to over 1000 workstations made up of a combination of Windows/mac workstations and laptops. The role is to ensure the streamlined operation of the Trust's strategy in alignment with the academies' objectives.

As well as the ongoing maintenance and management of the current ICT systems, the Network Manager will work closely with the ICT strategy lead to identify, recommend, develop and implement technology solutions for all aspects of the academies ICT development.

We are looking for an experienced candidate who:

1. Will respond to, diagnose and resolve ICT incidents in order to maintain service levels for all users.
2. Has genuine enthusiasm for using ICT to enhance student learning and will support developments within teaching and learning.
3. Has a relevant degree or industry experience together with a working knowledge of a variety of technologies, for example, Microsoft operating systems including desktop and server, Active Directory, DHCP/DNS, LANs, virtualisation, VOIP, e-security, WSUS, WDS, IIS, MOODLE, SIMS.Net

Closing date: 11am 14th September 2020
